### PROJECT AREA

2300 SQFT

### LOCATION

Malappuram

### ABOUT

A home that celebrates its natural surroundings and creates a connection with the outdoors. clean lines, minimalist furniture, and a neutral colour palette for a modern feel. Natural materials like wood and stone plastering finishes through to the exterior for a cohesive look.

A balance between warmth and comfort with sleekness and functionality .Large windows to blur the lines between indoors and outdoors, bringing in natural light and fostering a connection with nature.
